

To maintain our commitment to safety and customer service, Belstra, is currently looking for an experienced all-purpose mechanic with experience ranging from small engine to diesel engine maintenance and repair. This is a fabulous opportunity for a knowledgeable, hardworking individual to apply his or her skills in a company that offers competitive pay and comprehensive benefits such as: medical, prescription, dental, vision, and short-term disability coverage, earned time off, clothing allowance, and a retirement plan.

In this role, the successful candidate will perform a variety of tasks such as:

- Inspection, maintenance, and repairs on small engines, generators, farm specific vehicles (buses, trailers, tractors), etc., including in accordance with factory and industry standards
- Maintaining accurate parts inventory
- Maintaining shop cleanliness
- Keeping vehicle maintenance records and paperwork accurate and up-to-date
- Ensuring services provided are in compliance with safety procedures

Job Requirements:

- At least 1 year experience as a Mechanic
- Ability to lift up to 50 pounds
- Ability to successfully pass a background check and drug screening
- Knowledge and familiarity of hydraulics, an asset but not required
- Excellent reading, writing, and communication skills
- Team player
- Understand and practice the companies' strict biosecurity rules and policies.

If interested, please apply online at www.belstramilling.com or in person at our administration building, 308 15th St SE, DeMotte, IN 46310. Questions can be directed to Kasey Sheldon, (219) 987-4343 ext 179 or kaseys@belstramilling.com.
