

Belstra Group Farms is currently looking for motivated individuals to fill entry level positions within our swine farms. We currently have openings on farms located in **Fair Oaks, IN and St. Anne, IL**. This is an opportunity for an individual to work for a company that offers competitive wages, benefits, retirement plan, earned time off, short-term disability coverage. Work 50-55 hours/week with some weekend and holiday work.

NO PREVIOUS EXPERIENCE REQUIRED!

Job description for Entry Level Positions

- Day to day:
 - Maintaining the cleanliness of the farm by power washing designated areas
 - Caring for and handling sows and piglets
 - Monitor and assist sows during farrowing (birthing) process
 - Learn to safely/properly move different sizes of pigs to different barns
 - Assist with treatments, vaccinations, and care of pigs
 - Keeping accurate records
- Following the Belstra Group Animal Welfare Policy and proper PPE safety guidelines
- Showing leadership and cooperation with the rest of the farm staff

Physical Job Requirements

In order to perform the essential functions of a Swine Technician all applicants should be able to:

- Stand, walk and be on feet 8 to 10 hours per day.
- Frequently bend, reach, squat and kneel.
- Frequently use one or both hands/arms to grasp or pull. (Employee uses power washer with 3000 psi force and 5 gallons per minute flow.)
- Frequently lift objects weighing 3 to 20 pounds.
- Occasional bend while pulling and/or lifting objects weighing up to 50 pounds, or requiring up to 50 pounds of force to move.
- Work in different environments (dust, heat, cold)
